PART B - CONDITIONS OF INTEREST ASSISTANCE CONTINUED**7. When Interest Assistance Payments Cease**

For cases when FSA purchases a portion of the loan, interest assistance payments on the loan will cease. Interest assistance payments will cease upon termination of the loan guarantee, upon reaching the expiration date set forth in this agreement or upon cancellation by FSA. Interest assistance payments shall cease upon the assumption or transfer of the loan if the transferee was not liable for the debt at the time the assistance was granted in accordance with 7 C.F.R. Section 762.150. The lender shall complete FSA-2222 to request payment for the interest assistance through the date of the transfer or assumption of the guaranteed loan.

8. Cash Flow

The lender must document that a feasible plan is not possible without reducing the interest rate on the borrower's loan, with the debt scheduled over the maximum term typically used by lenders for similar type loans, within the limits in 7 C.F.R. Section 762.124. A borrower's new guaranteed loan is eligible for interest assistance if the borrower needs interest assistance to achieve a feasible plan. If significant changes in the borrower's cash flow budget are anticipated after the initial 12 months, then the typical cash flow budget must demonstrate that the borrower will still have a feasible plan, following the anticipated changes, with or without interest assistance. Feasible plan and cash flow budget are defined in 7 CFR Part 761 and must be calculated in accordance with that part.

9. Cancellation of Interest

Lender certifies that the amount of interest reduction on the borrower's account will be canceled as it becomes due.

10. Regulatory Changes

This agreement is subject to the present regulations of the FSA and its future regulations not inconsistent with the provisions of this agreement.

11. Cancellation

The interest assistance agreement is incontestable except for fraud or misrepresentation of which the lender has actual knowledge at the time this agreement is executed or for which the lender participates in or condones.

12. Excessive Interest Assistance

FSA may amend or cancel this agreement and collect from the lender any amount of payment granted as a result of incomplete or inaccurate information, computation errors, or other circumstances which resulted in interest assistance payment that the lender was not entitled to receive.

13. Access to Lender's Files

Upon request by FSA, the lender will permit representatives of FSA (or other agencies of the U.S. Department of Agriculture) to inspect and make copies of any of the records of the lender pertaining to FSA guaranteed loans. Such inspection and copying may be made during regular office hours of the lender, or any other time the lender and FSA find convenient.

To the extent permitted by law and the supervisory agency, the lender agrees to allow FSA access to audit findings by the lender's supervising agency when examining interest assistance claims.
